

**Whatton in the Vale Parish Council**

**Minutes of a Meeting of the Council held on Tuesday January 8, 2019, at the Jubilee Hall, Whatton in the Vale at 7.30pm**

Coun. Chris Grocock (Chairman) (A)  
Ray Evans (A) Chris Edwardson Georgia Elms (A)  
Jane Morris Julia Faulconbridge Gregg Redford (in the chair)

Before the meeting six residents attended to outline their concerns on continuing damage to grass verges in the village. The meeting chairman Cllr Gregg Redford said they were awaiting information from Via-Notts County Council as to what steps they might undertake, if any, to combat the problem. Various suggestions were put forward, including the possibility of making the road through the village one way.

It was felt the number of heavy goods vehicles in the village were increasing and this was the main cause of the problem, with, in particular, the narrow Church Street being unable to accommodate them. Parked vehicles were also a problem.

It was agreed to ask Via officer Kendra Hourd and County councillor John Cottee to attend another meeting to see if they would agree to some action to tackle the problem being implemented

Concerns were expressed by members of the public on the late delivery of the newsletter advertising the meeting.

Also present clerk Mike Elliott

The meeting chairman commented on the resignation of Ray Evans, brought about by illness. He would be greatly missed as a member.

## 12. ENVIRONMENT

Strong concerns were expressed over tree pollarding work in the grounds of the parish church and the clerk was asked to make immediate contact with the Borough tree officer to register the council's views. Coun. Faulconbridge said work had so far been done to two of the 15 trees and had far exceeded the original proposals to pollard 5metres from the top of them. The clerk was to approach the Diocesan Authority at Southwell to ask if they were aware of the work being undertaken, and to have it stopped. The closure of the footpath alongside the churchyard had not been advertised and this was to be raised with Notts County Council.
